28th January 2026

Dear Lisa, David, Izzy, Philip, Beccy and Mat,

Thank you for your letter dated Wednesday 21st January 2026 regarding issues with the proposed redesign of the Places for People scheme in Kings Heath and Moseley.

As I have set out previously, we were required to consider fundamental changes to the Places for People scheme following the statutory Traffic Regulation Order (TRO) consultation.

We presented a revised proposal at my meeting with the local councillors on Thursday 15th January. We also discussed the revised proposal at my meeting with the Road Safety Commissioner and Active Travel Commissioner on Tuesday 20th January.

Issues with the revised proposal were raised at the meetings, as well as in your letter. In the context of the original objectives of the Places for People scheme, we are not looking to progress this option further.

Further technical work and legal advice is required before we can ask Cabinet to make a decision to ensure that the council's legal and statutory responsibilities have been discharged.

Kind regards

A handwritten signature in black ink that reads 'Majid Mahmood'.
